Small Tiltrite

Supportive alternative seating

Our Small Tiltrite chair offers comfort, postural support and pressure relief. It can be used in school, as an alternative to a functional 'school' chair or at home as a break from your wheelchair.

It can be used for comfortable sitting, in side lying, when you need a stretch, or as a wedge for prone lying and activity.

- **Posture and Pressure:** *Basic to 3 Dimensional support and Medium/High Pressure Relief*
- **Function:** *Tilt-in-Space to enable eating, drinking and pressure redistribution*
- **Re-Positioning:** *Have a stretch in Supine, Side Lying and Prone. Tilt the head end for Postural Drainage*
- **Multi-Adjustable:** *The chair will grow with you from 18 months old to 8 years of age*

The supportive chair that does so much more...

Our chair is one multifunctional piece of furniture delivering tilt in space sitting, reclining and side lying. Use it head down for postural drainage and "back to front" for a prone stretch.

A 'Chill-out' chair for watching TV or relaxing
Use it for free time, learning, activity at home
or at school
